FROM FEBRUARY 12 - APRIL 22, 2012

I, _____, have committed my family to give 10% of my income to Living Hope Christian Fellowship for 10 weeks. By faith, I expect that God will provide for me and my family and even exceed my expectations according to Malachi 3:10-11.

If, after the 10 weeks, I am not completely satisfied with how God has provided, Living Hope will return every dollar given for the 10 weeks. However, if I am committing to a lower percentage than 10%, I understand that Living Hope is not obligated to return the money invested if I am not satisfied.
